CHAPTER 1: TOKENS

CHAPTER 2: GRAMMER

This is a notation for writing down the grammar of the language. It uses regex syntax, with the components themselves being italicised.

<i>block</i>	{ <i>statement</i> * }
<i>statement</i>	<i>expression</i> ;
<i>expression</i>	
<i>const-expression</i>	"[a-zA-Z0-9]*" [+ -]?[0-9]+(\.[0-9]+)? true false
